

# **Startups WebApp Documentation**

**S. Kamalshanth**

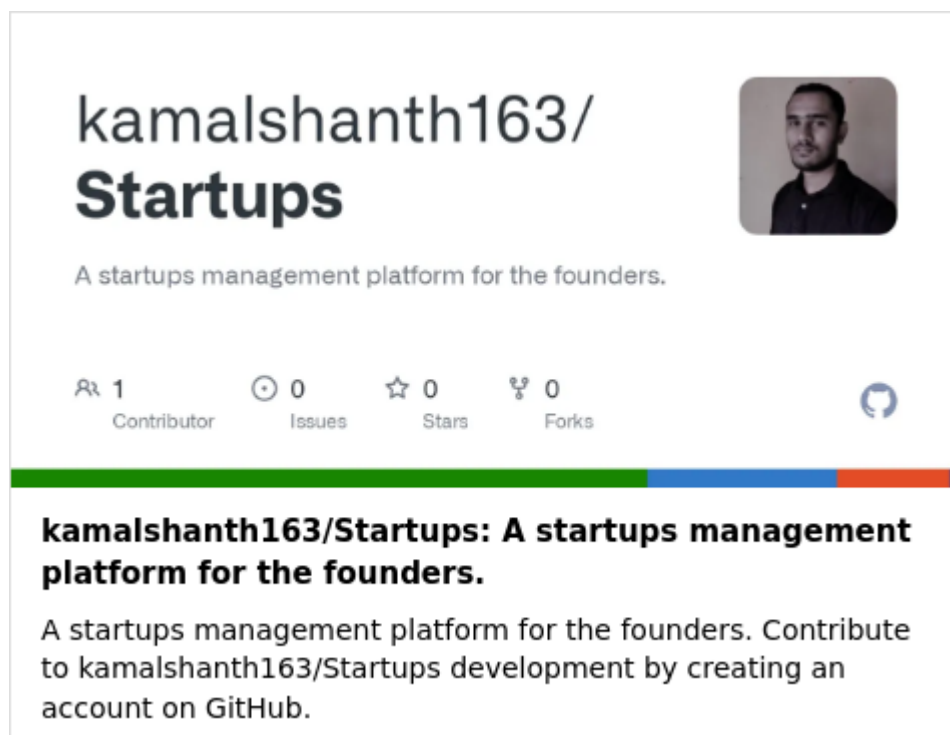

# Intro

Startups website is an online platform allows startup founders to create and manage their startups and view other startups as well.

## Source code

<https://github.com/kamalshanth163/Startups>

## Technologies

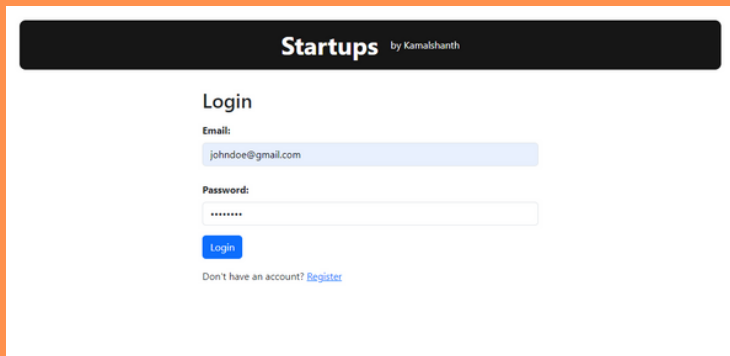

C# .NET 6  
Angular 16

## Standards

Clean Architecture  
CQRS Pattern

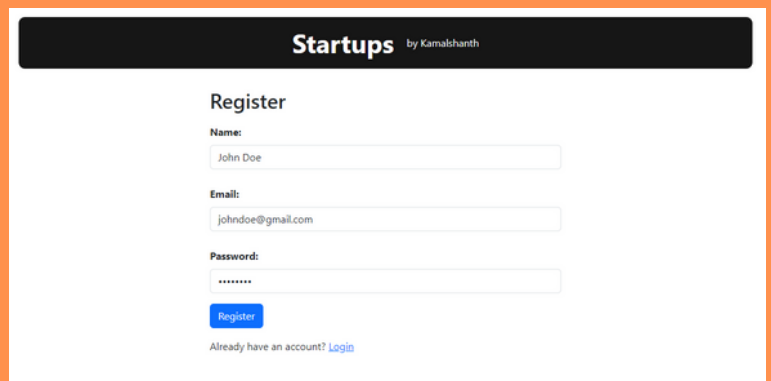

# Screenshots

## Login page

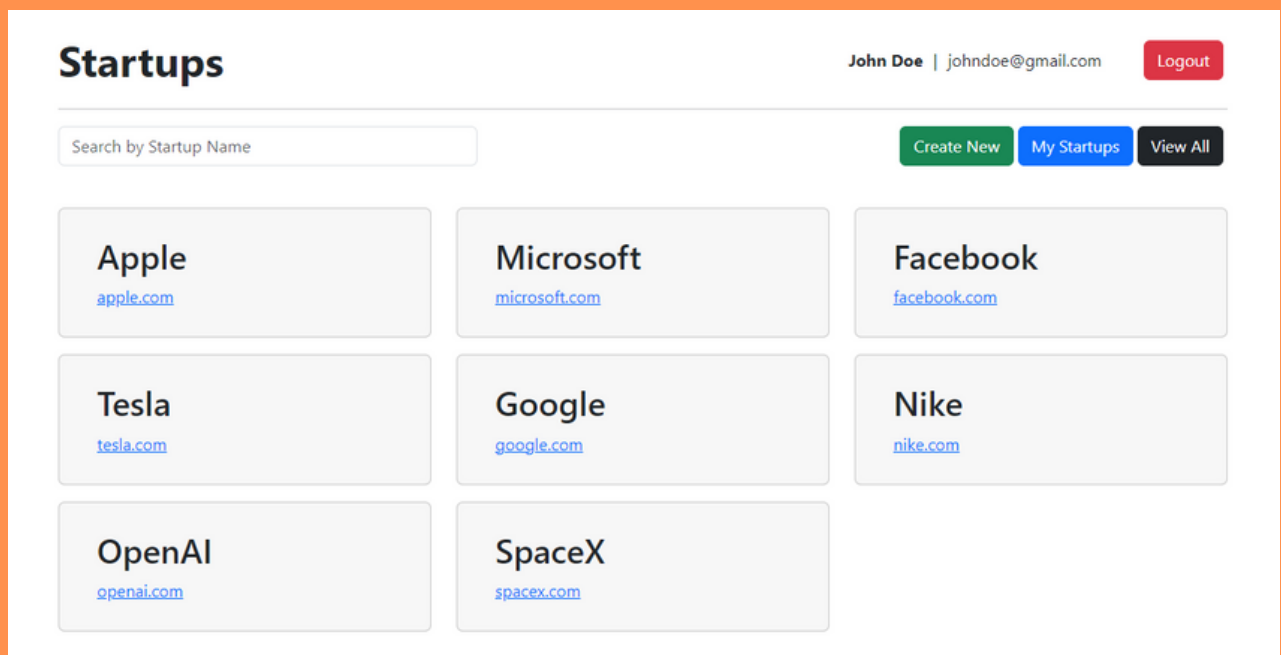

The screenshot shows the login page of the 'Startups' application. At the top, there is a black header with the text 'Startups by Kamalshanth'. Below the header, the title 'Login' is centered. There are two input fields: 'Email:' with the value 'johndoe@gmail.com' and 'Password:' with a masked password '\*\*\*\*\*'. A blue 'Login' button is positioned below the password field. At the bottom, there is a link that says 'Don't have an account? [Register](#)'.

## Register page

The screenshot shows the register page of the 'Startups' application. At the top, there is a black header with the text 'Startups by Kamalshanth'. Below the header, the title 'Register' is centered. There are three input fields: 'Name:' with the value 'John Doe', 'Email:' with the value 'johndoe@gmail.com', and 'Password:' with a masked password '\*\*\*\*\*'. A blue 'Register' button is positioned below the password field. At the bottom, there is a link that says 'Already have an account? [Login](#)'.

## Dashboard

The screenshot shows the dashboard of the 'Startups' application. At the top, there is a black header with the text 'Startups'. On the right side of the header, there is a user profile 'John Doe | johndoe@gmail.com' and a red 'Logout' button. Below the header, there is a search bar with the placeholder text 'Search by Startup Name'. To the right of the search bar, there are three buttons: 'Create New' (green), 'My Startups' (blue), and 'View All' (black). Below these buttons, there is a grid of startup cards. Each card contains the name of the startup and its website URL. The cards are: Apple (apple.com), Microsoft (microsoft.com), Facebook (facebook.com), Tesla (tesla.com), Google (google.com), Nike (nike.com), OpenAI (openai.com), and SpaceX (spacex.com).
